

The last few years have been taxing on all of us. Trying to find an affordable and safe place to take your family has been difficult. The price of everything has been going up; gas, food, utilities, rent.....It just hasn't stopped. We here at Pioneer Lanes know those problems first hand. Not only do we have our own families to think about, we also think about you, our extended family. We are going to try to help stretch your family's dollar further. Starting Saturday, January 8th, we are going to put bowling on **SALE!** We hope this helps out. Come on in and have some FUN!

Thank You

Joe, Chris, and Maddy
